# INSTITUTE OF MANAGEMENT ACCOUNTANTS (IMA)

The U.S. CMA (Certified Management Accountant) certification is a globally recognized prestigious professional certification which is issued by the Institute of Management Accountants (IMA). IMA is the largest and most respected professional association of management accounting in the United States, founded in 1919 with more than 125,000 members in 150 countries.

The U.S. CMA certification has been the global benchmark for management accountants and financial professionals, and is the best way to prepare your professional competence for becoming Chief Financial Officer or professional Consultants in Finance & Accounting at local and international companies. Nowadays many CMAs are holding Chief Financial Officer (CFO) and other key positions in financial and accounting management teams at leading global companies, including Amazon, Disney, Walmart, Apple, IBM, Microsoft, Johnson & Johnson, Google, Nike, etc.
